

Indiana Partners for Pollution Prevention

December 2013

Electro-Spec Inc. pledges to:

- Ensure employees are aware of the commitment to pollution prevention and understand their role in implementing pollution prevention objectives and goals;
- Incorporate pollution prevention planning in the development of new products, processes, and/or services;
- Establish a mechanism to monitor waste generation and identify realistic pollution prevention goals;
- Establish a process to listen and respond to stakeholder concerns;
- Make available your general waste reduction and pollution prevention information to members of our community, IDEM, and the partners, if requested;
- Establish an outreach program for promoting and supporting pollution prevention efforts;
- Participate in two or more partners meetings annually;
- Support the annual Pollution Prevention Conference and Trade Show; and
- Submit an annual pollution prevention activity recertification.
