Safe Drinking Water and Toxic Enforcement Act of 1986 – Proposition 65 Declaration

To Whom It May Concern.

Electro-Spec Inc. is a precious and semi-precious metals plating company with facilities located in Franklin, IN and Lexington, SC.

This certificate is to inform all customers of Electro-Spec of our current compliance status to California's Safe Drinking Water and Toxic Enforcement Act of 1986 – Proposition 65.

- **Based on current toxicity list, Nickel (Metallic) and Trichloroethylene, (Lexington, SC only), are the only substances utilized by Electro-Spec Inc.**
- **Our use of the above is communicated and flowed down by or through our customer's requirements. This flow-down is done via Purchase Order, Product Drawing, Specification(s), and/or Certificates of Conformance.**

Please let us know if you have any additional questions.

Regards,

A handwritten signature in blue ink, appearing to read "Jamie Sanders", is written over a light blue circular background.
