

DECLARATION: PFAS

Per- and polyfluoroalkyl substances (PFAS), sometimes called "forever chemicals," is a group of thousands of substances widely used in many industries. Due to growing awareness of health and environmental concerns, PFAS are facing increasing scrutiny worldwide. In-force and proposed measures set restrictions or requirements on PFAS use in some jurisdictions, and due diligence may be necessary to meet legal obligations, ESG commitments, and/or business requirements.

To whom it may concern,

We hereby send you information related to PFAS; this communication applies to all products sold or otherwise placed on the market by **Electro-Spec Inc.** prior to the signature date of this declaration.

OR, We hereby send you information related to PFAS; this communication applies to all products sold or otherwise provided to **[Requesting Client]** prior to the signature date of this declaration.

If no products contain any PFAS chemicals, this option must be selected:

Checking this box certifies that none of the products referenced above contain any PFAS substances.

OR, if any products contain any PFAS chemicals, this table must be completed:

Product(s)	Substance Name or CAS Number	Concentration (%)	Where in the product is the substance found?
